 THAI

Natcha Kunapramote, M.D., is a board-certified pediatric pulmonologist. She earned her M.D. from the Faculty of Medicine (First class honors), Chulalongkorn University, followed by a diploma from the Thai Board of Pediatrics at Phrapokklao Hospital. Dr. Natcha further specialized in Pediatric Pulmonology and Critical Care through a fellowship at the Faculty of Medicine, Ramathibodi Hospital, Mahidol University. She is an active member of the Royal College of Pediatricians of Thailand and the Thai Society of Pediatric Respiratory and Critical Care Medicine.

With extensive experience in pediatric respiratory care, Dr. Natcha provides expert management for conditions such as asthma, pneumonia and chronic lung diseases. Her clinical expertise includes advanced treatment strategies for obstructive sleep apnea and respiratory tract infections. Dr. Natcha has also contributed to publications, including research on adult care during the COVID-19 pandemic.

Her expertise includes:

- Asthma and allergic rhinitis management
- Diagnosis and treatment of obstructive sleep apnea
- Management of pneumonia and respiratory tract infections
- Care for chronic lung diseases in children
- Treatment of aspiration and inhalation injuries
