PORNCHANOK IAMSIRIRAK, M.D.

SAMITIVEJ SRINAKARIN , SAMITIVEJ INTERNATIONAL CHILDREN'S HOSPITAL (SRINAKARIN)

Languages ENGLISH
THAI

Pornchanok Lamsirirak, M.D., is a board-certified pediatric hematologist-oncologist with more than 10 years of experience specializing in the treatment of pediatric blood disorders and cancers. She has served as a lecturer at Naresuan University and completed her clinical fellowship in pediatric hematology and oncology at Ramathibodi Hospital.

Dr. Pornchanok's research has been instrumental in advancing treatments for pediatric patients, particularly in the areas of stem cell transplantation for thalassemia and improving outcomes for children with iron deficiency anemia. Her work on bone marrow transplantation and the biology of blood and marrow transplantation has been published and presented at international conferences.

Her expertise includes:

- Treating pediatric thalassemia, leukemias and cancers
- Performing stem cell transplantation, including haploidentical transplantation, for both cancer and thalassemia patients
- Managing complex pediatric blood disorders such as anemia
- Researching innovative treatments for hematologic conditions, including novel conditioning regimens for hematopoietic stem cell transplantation
