 CHINESE

Wiralpat Akkarachalanont, M.D., is a board-certified pediatric neurologist. She earned her Doctor of Medicine degree from Ramathibodi Hospital, Mahidol University, and completed her residency in Pediatrics at Chiang Mai University. Dr. Wiralpat received additional specialized training in Pediatric Neurology through a fellowship at Ramathibodi Hospital, Mahidol University. She is a member of several esteemed professional organizations, including the Epilepsy Society of Thailand and the Child Neurology Association of Thailand.

With more than 10 years of clinical experience, Dr. Wiralpat has successfully treated numerous cases of pediatric epilepsy, cerebral palsy and neuromuscular disorders. Her expertise extends to managing childhood headaches, brain infections and demyelinating diseases. Dr. Wiralpat actively participates in international conferences and has presented her work on pediatric epilepsy and neurological disorders.

Her expertise includes:

- Pediatric epilepsy, including drug-resistant epilepsy
- Management of cerebral palsy and movement disorders
- Treatment of childhood headaches and tic disorders
- Neuromuscular and neuropsychiatric disorders
- Diagnosis and care for congenital brain malformations and pediatric stroke
- Other neurological disorders
