Languages  ENGLISH
 THAI

Tanya Kajornrattana, M.D., is a board-certified pediatric nephrologist. She holds a Diploma of the Thai Board of Pediatrics from the Faculty of Medicine, Prince of Songkla University, and a Diploma of the Thai Board of Pediatric Nephrology from Phramongkutklao College of Medicine. Dr. Tanya completed her medical degree with second-class honors from Chulalongkorn University, followed by specialized training in Pediatric Nephrology.

With years of experience in pediatric kidney care, Dr. Tanya has treated numerous cases of nephrotic syndrome, acute kidney injury and chronic kidney disease. She has expertise in advanced renal therapies, including peritoneal dialysis, hemodialysis, and continuous renal replacement therapy in critically ill children. Her research includes contributions to understanding the impact of kidney-related conditions on children and their caregivers, with findings presented at international conferences.

Her expertise includes:

- Peritoneal dialysis and hemodialysis in children
- Continuous renal replacement therapy for critical conditions
- Management of nephrotic syndrome and lupus nephritis
- Diagnosis and treatment of acute kidney injury and chronic kidney disease
- Addressing urinary tract infections and electrolyte imbalances in pediatric patients
