**Languages**  ENGLISH  
 THAI

Assoc. Prof. Dr. Objoon Trachoo, M.D is in charge of the clinical genetics service at the Samitivej Genomic And Lifestyle Wellness Center. He graduated with a first-class honors degree in medicine from the Faculty of Medicine, Ramathibodi Hospital, Mahidol University, before going onto receive a Diploma from the Thai Board of Internal Medicine. He added to his credentials by earning a Ph.D. in Biomedical Science from the University of Sheffield, United Kingdom. He followed that achievement with the receipt of a European Diploma in Medical Genetics and Genomics certified by the European Union of Medical Specialists, Section of Medical Genetics, which qualifies him to provide diagnosis and treatment in the field of genetics. Additionally, Dr. Objoon has been accepted into the United Kingdom’s Fellowship Institute of Biomedical Science—the highest honor bestowed by the scientists who make up the board—in recognition of his achievements in the field of biomedical laboratory analysis. Dr. Objoon has undertaken several internationally recognized research projects, focusing on neurological development disorders, hereditary heart diseases, detection of rare genetic conditions, and identification of genetic abnormalities in embryonic cells.
