 THAI

Patcharin Amornvipas, M.D., is a board-certified **pediatric gastroenterologist**. She earned her medical degree from Ramathibodi Hospital, Mahidol University, and completed her residency and subspecialty training in Pediatric Gastroenterology and Hepatology at Chulalongkorn University. Dr. Patcharin further enhanced her expertise with academic observerships at Great Ormond Street Hospital and King's College London, UK.

With more than 15 years of experience, Dr. Patcharin has successfully treated numerous pediatric patients with complex gastrointestinal disorders. Her expertise spans managing GERD, malnutrition and inflammatory bowel disease, as well as conducting endoscopic procedures such as balloon dilation for pyloric stricture. Dr. Patcharin has presented her work at international conferences and published extensively in the field of pediatric gastroenterology.

Her expertise includes:

- Treatment of gastroesophageal reflux disease (GERD) and constipation
- Diagnosis and management of food allergies and celiac disease
- Treatment of inflammatory bowel disease and malabsorption
- Nutritional support for picky eating and malnutrition
- Endoscopic procedures for gastrointestinal disorders
